PRODUCT SPECIFICATION SHEET
Product Title: 10m Double Gang HDMI/VGA/3.5mm/USB Type A & B AV Cable Kit
Product Code: 20-1100 | Brand: **connekt**gear

DESCRIPTION
Our 10m, double gang faceplates include one snap-in 3.5mm module, one snap-in USB 2 Type B module, one snap-in HDMI module and one snap-in VGA module. They also included an extra USB 2 Type A module to be used if needed.

They are designed to deliver professional quality sound and visuals across all display units. Whether you're presenting at work, producing content, live streaming, or enhancing classroom learning, our kits provide a reliable, high-performance solution.

Every kit includes all necessary modules, faceplates, backboxes, and back end cables to seamlessly connect to display units, ensuring quick installation and consistent performance.

A key feature of our kits is the staggered arrangement of cable exits, meaning the termination points are offset rather than aligned providing an easier installation.
