

PRODUCT SPECIFICATION SHEET
Product Title: 1.8m RJ45 to USB Type A Male Console Cable with FTDI Chip (Cisco Compatible)
Product Code: 26-2987 | Brand: **connektgear**

DESCRIPTION
Our RJ45 to USB Type A console cable provides a reliable and convenient connection between your computer and network equipment. Built with an integrated FTDI chipset, it ensures stable communication, broad compatibility, and seamless driver support across major operating systems. Designed for Cisco routers, switches, and firewalls, this cable also works with many other network devices that use an RJ45 console port. The durable construction and high quality components ensure consistent performance for configuration, management, and troubleshooting tasks.
