PRODUCT SPECIFICATION SHEET
Product Title: 20m USB 2 Active Extension Cable Type A Male to Type A Female
Product Code: 26-2932 | Brand: **connekt**gear

DESCRIPTION
Our USB 2 Type A male to Type A female extension cable provides a convenient way to extend the reach of your existing USB devices. Designed for reliability, it features a durable outer jacket and secure moulded connectors to ensure stable data transfer and dependable performance. It is also active meaning it has a built-in chip that stops the fading signal and boosts it. Supporting speeds up to 480Mbps, it's ideal for extending connections to keyboards, mice, flash drives, printers, AV installs and other USB devices. Perfect for home or office setups where extra cable length is needed for easier access and flexible positioning.
