

3m Mains Extension Hot Rated Power Cable C14 Plug to C15 Socket

Brand: **connektgear**
Code: 27-0327
Box Qty: 70

Why do you need it?

You need to extend the distance of your existing power cable from a cable you know is built with durability and day to day use in mind.

What does it do?

This is a heavy duty cable suitable for use with high temperature equipment and in hot condition environments such as data centres. Extends the distance between a wall socket and the device that you are powering. This extension cable ensures a high quality, error free connection.
