

## **AV Double Faceplate - 4 Module 146 x 86mm Bevelled Edge - White**

Brand: **connektgear**  
Code: 20-0003  
Box Qty: 300

### **Why do you need it?**

You need a double bevelled edge faceplate as part of your AV install, and by using this faceplate, you ensure that you have installed a quality system.

### **What does it do?**

The double faceplate will hold up to four snap-in modules and can be fixed onto a standard double back box; it is an easy set up with no soldering or wiring required. As part of the AV Modular Range this faceplate will help conceal your cables to keep everything simple, neat and tidy.

## Product Details
