PRODUCT SPECIFICATION SHEET
Product Title: AV Double Faceplate - 4 Module 146 x 86mm Flat Edge - White
Product Code: 20-0002 | Brand: **connekt**gear

DESCRIPTION

Our faceplate is designed to complete your AV installation by securely holding four modules. Although referred to as a “double-gang faceplate,” this term relates to the compatible back box size. The faceplate actually accommodates four modules within it's compact form. Featuring a flat profile for a sleek finish, it offers superior durability thanks to its rigid polymer construction - enhancing module stability, particularly along the ledge where each module clips in.
