0.35m AV Snap-In USB 2 Type A Module 25 x 50mm - Socket to Socket - White

Brand: **connekt**gear
Code: 20-0007
Box Qty: 150

Why do you need it?

You need a USB 2 Type A module as part of your AV install, with a module that will provide you with secure and convenient connections, whilst keeping things looking neat, tidy and professional.

What does it do?

The USB 2 Type A module snaps into your chosen AV faceplate; a simple set up with no wiring or soldering required. This module provides a socket on the front of the module to connect your laptop or PC and a trailing socket on the reverse of the module to connect your Television, Projector, Speaker or Whiteboard etc.

Product Details

- The Universal AV Snap-in Modular Range is ideal for installing and concealing AV cables within walls or trunking.
- You have the freedom & flexibility of choosing the connection combinations you require to create your own specific set-up.
- Easy to install meaning reduced installation time and expense
- Easily upgradable - designed to future proof your system
- No soldering required!
- Modules are designed to withstand the strain of cables being plugged in and out of the socket. The clips are made to a deeper than usual depth to ensure a stronger/firmer hold to the faceplate.
- Lifetime warranty
