

### **0.25m AV Snap-In VGA Module 25 x 50mm - Socket to Socket - White**

Brand: **connektgear**  
Code: 20-0010  
Box Qty: 100

### **Why do you need it?**

You need a VGA module as part of your AV install, with a module that will provide you with secure and convenient connections, whilst keeping things looking neat, tidy and professional.

### **What does it do?**

The VGA module snaps into your chosen AV faceplate; a simple set up with no wiring or soldering required. This module provides a socket on the front of the module to connect your laptop or PC and a trailing socket on the reverse of the module to connect your Television, Projector, Speaker or Whiteboard etc.

## Product Details

- The Universal AV Snap-in Modular Range is ideal for installing and concealing AV cables within walls or trunking.
  - You have the freedom & flexibility of choosing the connection combinations you require to create your own specific set-up.
  - Easy to install meaning reduced installation time and expense
  - Easily upgradable - designed to future proof your system
  - No soldering required!
  - Modules are designed to withstand the strain of cables being plugged in and out of the socket. The clips are made to a deeper than usual depth to ensure a stronger/firmer hold to the faceplate.
  - Lifetime warranty
