## Double Faceplate for RJ45 Modules - 4 Module version 145 x 85mm - White

Brand: **connekt**gear
Code: 90-0105
Box Qty: 400

Why do you need it?

You need to insert up to four standard RJ45 modules into a backbox that will be added to your network, and you want a durable and safe faceplate to do the job.

What does it do?

The double faceplate will hold up to four snap-in modules and can be fixed onto a standard double backbox with the fixing screws provided. This provides an easy install with no complicated wiring without compromising the quality of the install.
