

Double Gang Back Box Surface Mount 32mm Deep - White

Brand: **connektgear**
Code: 90-0106
Box Qty: 100

Why do you need it?

You need to insert a double surface mount back box into a network installation, and you want a durable and safe back box to do the job.

What does it do?

Accommodates a double faceplate fitted with snap-in modules that can then be surface mounted into a network installation. This is a durable back box that can withstand the stresses of day to day usage, without compromising organisation.
