

PRODUCT SPECIFICATION SHEET

Product Title: KB232 USB Standard UK Keyboard Water Resistant - Black

Product Code: 24-0232 | Brand: **connektgear**

DESCRIPTION

Our keyboard combines durability and functionality with a sleek design. It's water resistant construction ensures protection against spills, making it ideal for busy environments and it's laser printed keys ensures the keys won't fade. The standard UK layout provides all the essential keys, while the USB 2 connectivity offers easy plug and play set up across a range of devices. Built for comfort, the keys offer a smooth, quiet typing experience and the classic black finish fits seamlessly into any workspace.
