

RJ45 CAT6 LS0H Coupler - Black

Brand: **connektgear**

Code: 31-2000

Box Qty: 300

Why do you need it?

You need to join two Cat 6 RJ45 cables together so that the distance between your devices can be increased, whilst still having confidence that you have a quality connection between your devices.

What does it do?

By plugging two RJ45 cables into each end of the coupler it will provide a female to female feed through connection whilst maintaining optimum performance. This can help you extend installations with minimum effort.
