## Single Faceplate for RJ45 Modules - 2 Module version 85 x 85mm - White

Brand: **connekt**gear
Code: 90-0100
Box Qty: 500

Why do you need it?

You need to insert up to two standard RJ45 modules into a backbox that will be added to your network, and you want a durable and safe faceplate to do the job.

What does it do?

The single faceplate will hold up to two snap-in modules and can be fixed onto a standard single backbox with the fixing screws provided. This provides an easy install with no complicated wiring without compromising the quality of the install.
