PRODUCT SPECIFICATION SHEET
Product Title: USB 3.1 Type C Dual Screen Docking Station with 100W PD
Product Code: 25-0101 | Brand: **connekt**gear

DESCRIPTION

Our compact USB Type C mobile docking station is the perfect solution for connecting your PC accessories to any Type C device, ideal for use at home, in the office or on the go. It features dual HDMI ports for crystal clear, high quality video output, three USB 3 ports for fast data transfer, and a USB Type C port with power delivery for seamless charging. For compatibility with older displays, the dock also includes a VGA port. Devices without Wi-Fi are supported as well, thanks to the integrated ethernet port for stable wired network connections. Additionally, the dock is DeX compatible, allowing you to transform your phone into a desktop like experience with ease.
